

Bridging Beauty and MoCRA: Complete Cosmetic Solutions

Registrar Corp is your trusted partner in cosmetic compliance with a complete suite of expert services, software, training, and an ISO 27001 certification to protect your proprietary data.

Impacts of MoCRA on the Cosmetic Industry

The Modernization of Cosmetics Regulation Act (MoCRA), passed in 2022, significantly expanded the U.S. FDA's authority to regulate the cosmetics industry. Registrar Corp can help you navigate the changes and achieve compliance.

Comprehensive MoCRA Compliance Services

Registrar Corp offers complete solutions for global cosmetic brands and manufacturers:

Facility Registration & U.S. Agent

Ensure FDA compliance with our expert Facility Registration & U.S. Agent services. We handle everything from registration to ongoing FDA communication, all backed by global support.

Product Listings

Simplify your FDA product listings with our secure portal. Get expert guidance, easy management & SPL conversion. Trusted by thousands and ISO 27001 certified for data protection.

Labeling & Ingredient Review

Get compliant labels with review from experienced FDA label specialists, detailed reports, and print-ready layouts.

Cosmetri: Product Formulation & GMP Software

Cosmetri helps brands accelerate innovation with compliant product formulation.

Adverse Event Management Software

Manage adverse event reporting with secure software for faster response and consumer protection.

Online GMP & MoCRA Training

Learn about GMP & MoCRA regulations and keep your brand safe with online training from cosmetic experts.

Stay compliant, confident, and competitive in the evolving world of cosmetics. Contact Registrar Corp today

Cosmetics Solutions for U.S. & International Companies

Registrar Corp offers a comprehensive suite of FDA compliance solutions for the entire cosmetics industry, from U.S. and international contract manufacturers to brand-owned facilities and independent brand owners.
